The 7/8 feet high Elite Cantilever Swing with 1 Bay and 1 Cantilever provides a fun swinging experience for two children on belt seats and one infant in the bucket seat on the end. It can be purchased in a variety of colors to match a playground theme and it comes either with or without the additional chains and seats. If purchased without the chains and seats there are numerous other options on the site to choose from so you can mix and match your ideal swing set. What's great about the 7/8 feet high Elite Cantilever Swing with 1 Bay and 1 Cantilever is that it's made entirely from solid galvanized pipe and powder coated so it is sure to last for many years to come, bringing joy to thousand
