Product Description

Balance equipment is a staple of any playground, and for good reason. The Oval Balance Track is a unique piece of equipment that will challenge and delight kids ages 2-12 with its racetrack shape and varying heights. This freestanding piece of playground equipment emphasizes safety while providing balance development for toddlers and children who are likely still developing their motor skills. Featuring powder-coated galvanized steel guardrails, the Oval Balance Track emphasizes safety while improving children's mobility. Additionally, the Oval Balance Track helps to promote spatial awareness in children through its curved and wavy pathways, as well as the pebble climbers included between the sections of track. This diverse feature also maintains a low deck height,...
