Product Description

Children between the ages of 5 and 12 are guaranteed to love the whimsical design of the Dream Catcher Climber. Kids can feel safe and secure thanks to the safety and durability of the climber's netting. The cables, made from nylon wrapped steel, are durable enough to withstand outdoor use while also being comfortable to grip with small hands. The Dream Catcher Climber will last through years of prolonged play thanks to its posts and base being crafted out of tough galvanized steel with a powder-coated painted finish. Children can build on their imaginative skills and creativity by integrating the artistic interpretation of the dreamcatcher into their play experience. The benefits of the Dream Catcher Climber are undeniable, specifically in building various muscles and core strength. This unique design is perfect for themed pl...
