Product Description

Take your exercise experience to the next level with the Beginner Playground Gym. Despite its name, the Beginner Playground Gym is a great piece of equipment for both novice and experienced exercisers. It includes four different stations that target varying key muscle groups, which can accommodate several users at once. Additionally, the compact size of the Beginner Playground Gym makes it a perfect fit in most outdoor sites, especially those with limited space or restrictions. With the commercial-grade Beginner Playground Gym, proper maintenance is enough to protect this unit from weathering or breaking down from prolonged use. The gym features galvanized steel bars, as well as powder-coat paint finish, making sure it can remain a staple in a fitness area for years to come. With its various stations, it...
