

The image displays two 3D renderings of a castle-themed playground structure and a detailed exploded view diagram of its components.

Top Rendering: A 3D perspective view of the playground structure, showing a central tower with a green roof, two large green slides, and a green climbing wall.

Bottom Rendering: A 3D perspective view of the playground structure from a different angle, showing the base, stairs, and a small wooden bridge.

Exploded View Diagram: A detailed diagram showing the components of the playground structure, including dimensions and labels.
