

Matterhorn

a part of Rocks & Ropes™

Installed in woodchips.

Matterhorn

The Matterhorn is the largest and most challenging Rocks & Ropes Monolith. It offers exciting and adventurous climbing with secure foot and handholds and features a fun cave recess that several friends can aspire to reach.

12" of woodchips plus 3" of fill over footing, or: 15" total of fill and synthetic playground safety surfacing over footing.

Color Options:

-  Limestone
-  Sandstone
-  Granite

Material: PolyFiberCrete®
Finish/Texture: Light sandblast
Anti-graffiti: Acrylic sealer

For Ages: 5-12
Estimated Users: 9
