

# Whale Head

## Woodchip installation

a part of Creatures by UPC Parks

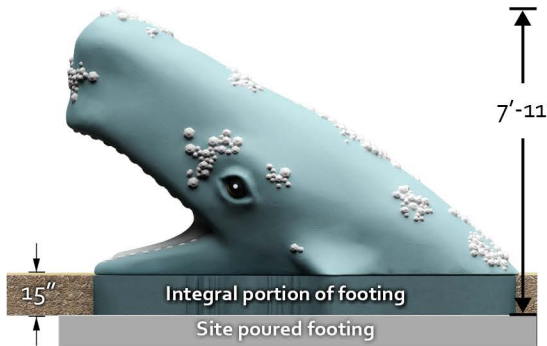

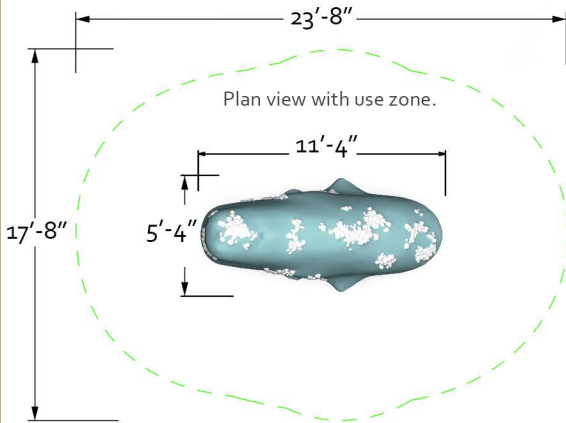

Installed in woodchips.

### Whale Head

The Giant Whale is such an enormous and impressive sculpture that it comes in two pieces: Head and Tail. It's great for ocean themes and imaginative play, and adventurous kids can also attempt to climb its barnacled surface.

12" of woodchips plus 3" of fill over footing, or: 15" total of fill and synthetic playground safety surfacing over footing.
