

Horizontal Chin-Up Station

Model Number
UP259

Fall Height
4'-6"

Use Zone
14'-1/2" x 9'-9 1/2"

Product Description

Use the Horizontal Chin-Up Station to develop core and abdominal muscles. Lay horizontally on the bench, grasp on to the top bar, then pull your body upward. This will amplify all core-based workouts. Intended for ages 13 and up.
