

Regal Trash Receptacle with Bones Design

TR32-BNS

Product Description

Product Description:

Complete your dog park space with a Dog Park Trash Receptacle with a dog bone design. This commercial waste receptacle helps to keep your dog park clean and tidy. Our heavy-duty 32-gallon can is constructed from expanded metal that's coated in your choice of mildew-resistant textured polyethylene. Pair this receptacle with our matching dog park bench and dog park play products.

Specifications:

- 32 gallon
- Features bone design
- Lid and liner sold separately
- Surface and in-ground mount options sold separately
- Textured polyethylene coated
