

Perforated Trash Receptacle with Paw Design for Dog Parks

TR32PERF-PWS

Product Description

Product Description:

The 32 gallon Perforated Dog Park Trash Receptacle with Paws design is a fun addition to any dog park. Its large capacity is great for high-traffic use and will allow ground keepers to skip daily trash collection. The receptacle is coated in a durable, all-weather textured polyethylene that resists vandalism - even from dogs! Add a backing plate to your receptacle to make the paw design pop (sold separately).

Specifications:

- 32 gallon
- Features paws design
- Lid and liner sold separately
- Surface and in-ground mount options sold separately
- Textured polyethylene coated
