Superior[®] Shade

2024 PRODUCT CATALOG

You Name It, We've Shaded It

At Superior Recreational Products (SRP), we provide you with standard and custom shade structures for nearly every outdoor location. Our line delivers creative solutions and unique designs for your biggest need — protection from the sun.

Serving Multiple Markets

We serve a variety of markets including parks and recreation, sport facilities, zoos, aquariums, hospitality, schools, and universities.

Our Features, Your Benefits

- 

Block up to 98% of harmful UV rays
- 

Reduce temperatures up to 25°
- 

UV stabilized fabric to resist fading and unraveling
- 

Frames withstand wind gusts up to 150 mph
- 

Structures that meet local building codes
- 

Glide Elbow™ fabric release mechanism
- 

Up to 20-year limited warranty
- 

Low-maintenance shade solutions

Making it Easy to Buy

We've teamed with strategic partners to ensure you have it easy when going to buy your next shade.

Ordering Made Easy

Contact your local Superior sales representative to start the ordering process. They can answer any questions and provide product pricing and shipping information. srpshade.com/find-a-rep

Traditional Shade Fabric

Material Features

Fabric

- Made from UV stabilized high density polyethylene fabric that prevents fading from the sun
- Raschel-knitted to prevent fraying and shades 34' and larger receive Kevlar® reinforced corners
- Blocks up to 98% of harmful UV rays, depending upon color choice
- Fabric breathes allowing hot air to rise and escape
- Available fabric to meet California State Fire Marshal requirements, NFPA 701, and ASTM E84

Frames

- Engineered to withstand wind speeds up to 150 mph with fabric removed
- Structural tubing complies with ASTM standards
- Finished product includes 6 to 8 mils of combined primer and powder coat — all backed by 5,000 hours of testing per ASTM Method B117

Our Glide Elbow™ quick release mechanism allows for easy installation and removal of your fabric — in the case of a fabric refresh or inclement weather. All you need is a wrench or cordless drill (with the right sized socket). What's more, metal-on-metal wear is minimized with our fabric hook connection. Our Glide Elbow™ is backed by a [1-year limited warranty](#).
