## Product Description

The perfect addition to any playground or outdoor space, the Straight Overhead Scaling Ladder is another addition to PlaygroundEquipment.com's line of kids fitness equipment. Boasting 13 rungs on top and two on either side, children who use the Straight Overhead Scaling Ladder will be challenged to reach the other side as quickly as they can. From New York to California and everywhere in between, Overhead Horizontal Ladders are among children's favorite playground pastimes, and it's easy to see why. Not only does the Straight Overhead Scaling Ladder facilitate deft, exciting movements, it also serves to improve children's physical strength and fine motor skills. Grip strength can also be improved, since kids must hold on tightly to the rungs to avoid falling down. The Straight Overhead Scaling Ladder is a natural choice for an...

## Product Specifications
