Grounds For Play®

memory makers
skill builders
CHAMPIONS OF CHILDHOOD

For over four decades, we've combined research, sustainable practices, and a **passion for play** to deliver playground environments that:

- Foster physical, cognitive, and social-emotional growth
- **Prioritize safety** without compromising fun
- Embrace environmental responsibility
- Adapt to the **unique needs** of each client

Get started on your dream playground by visiting groundsforplay.com/find-a-rep to find your local sales representative, who can answer questions and provide pricing and shipping information.

We ♥ Balanced Play

We are grounded in child development, allowing us to create balanced spaces that support various types of play. Our playgrounds:

- Go beyond physical activity
- Align with your program's goals
- Address age-specific needs

Dramatic Play

Promotes creativity, social skills, problem-solving, and emotional understanding by encouraging children to explore roles, scenarios, and perspectives.

Physical Play

Enhances children's motor skills, balance, coordination, and physical fitness while fostering social interaction and problem-solving abilities.

Music & Art Play

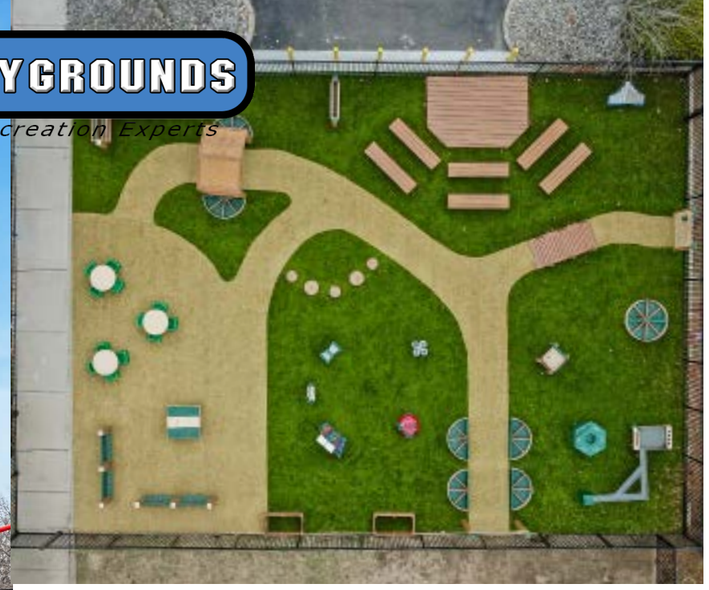

Fosters creativity, self-expression, fine motor skills, and cognitive development while enhancing emotional regulation and critical thinking.

Nature & Outdoor Classroom

Nurture children's creativity, curiosity, and problem-solving skills while promoting physical health, sensory development, and a deeper connection to the environment.

PRO PLAYGROUNDS
The Play & Recreation Experts

We ♥ Learning Outside

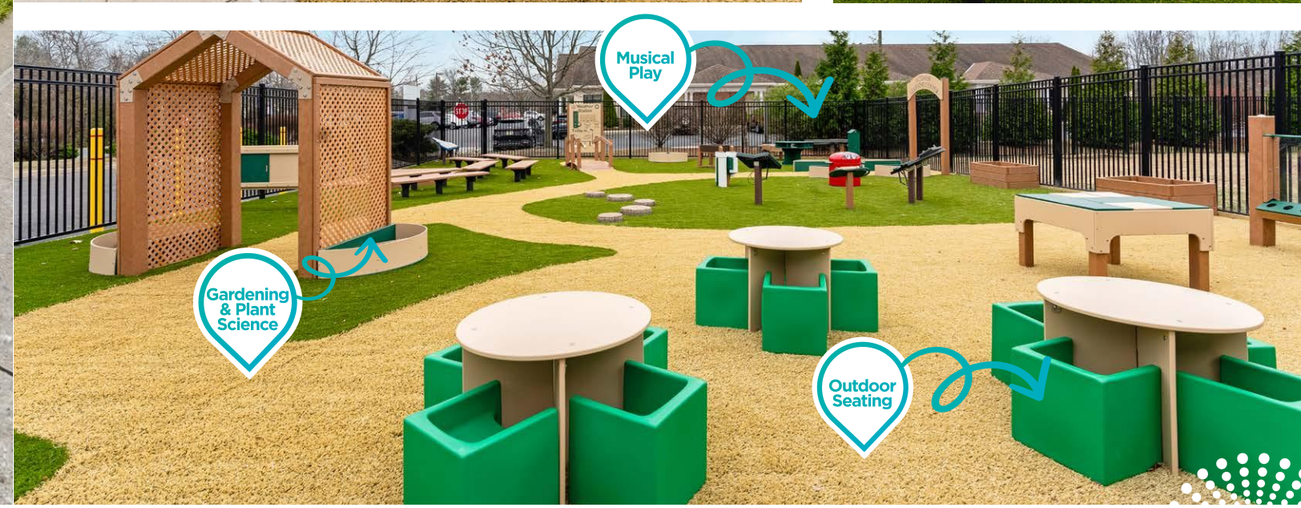

Outdoor classrooms spark creativity, encourage exploration, and promote hands-on learning. We offer outdoor classroom equipment that supports diverse learning styles, enhances social interaction, and creates an engaging space for multidisciplinary education.

Concept *to* Creation

We guide you through every step of your playground design process, ensuring a seamless journey from concept to creation to deliver a stunning, safer, and ready-to-play playground tailored to your needs. See some of our installed creations on the next few pages.

Step 1

It begins with an initial site plan that captures your vision and goals.

Step 2

A conceptual rendering brings the design to life, so you and other key stakeholders have a clear vision of the space.

Step 3

Our experienced team manufactures the equipment and manages the installation process, delivering your dream playground.

transforming WASTE into PLAY

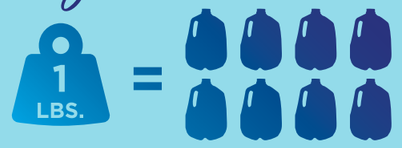

Once you see the benefits, you'll understand why recycled plastic posts and decking for playgrounds are becoming more and more popular for schools, parks, housing communities, and child cares.

why choose recycled plastic?

- Look of wood without the maintenance — **no splinters or rotting**
- Made from **non-toxic** and **environmentally-friendly** materials
- Decks and posts **do not rust or flake**
- **Equally as strong** as wood playgrounds

did you know?

Our playgrounds are **made from 95% reclaimed post-consumer plastic products such as milk jugs**! Every pound of recycled plastic lumber equates to 8 recycled milk containers. Additionally, the posts and decking can be recycled at the end of their life.

Certified Green Our lumber supplier, Tangent®, has achieved recycled content verification from GreenCircle Certified. Their certification is in compliance with ISO 14021:2016 definitions and the guidelines in the 2012 Federal Trade Commission (FTC) Green Guides for recycled content. Our posts and decks meet criteria for the USGBC LEED requirements.

Rendering for illustrative purposes only.

The Play & Recreation Experts

Built FOR Play

made in the usa

Our playgrounds are crafted with care and precision right here in the USA, ensuring quality, safety, and community pride in every design.

- Designed with durable, American-made materials to withstand years of active play
- Supporting local jobs to strengthen our communities
- Meeting the highest safety and quality standards for playground equipment

Coastal play Perfected

Marine borers, salt spray, UV rays, and unwanted playground rust beware. You're no match for our playgrounds.

Built-In Resistance Our posts and decks resist marine borers and salt spray.

UV Additives Most of our components, as well as our shade fabric, either have UV additives or are UV stabilized to resist fading against that hot coastal sun.

Extra Protection Options Our metal components can have an extra-protection coating to protect against salt spray and the coastal air.

Learn more about our playground materials at groundsforplay.com/our-materials.

Design Ideas

playground structures

We design playground structures that **inspire growth** and creativity. By blending thoughtful research, eco-friendly methods, and a **deep love for play**, we create playgrounds that:

- Promote physical activity, cognitive exploration, and social connection
- Balance top-tier safety standards with **endless fun**
- Reflect a commitment to protecting the environment
- Cater to the **distinct vision and needs** of every client

Chain Type	Item Number
Galvanized	90015130XX
Yellow PVC	90015230XX

Tire Swing Seats

Our Tire Swing Seat includes one tire and all galvanized chain and hardware. Order one item number per bay. Tires are made from durable, black roto-molded plastic.
Model: TFR0612XX

INCLUSIVE

Inclusive Swing Seat

NEW

This patent-pending swing seat design is for children ages 5–12 who need support to maintain a seated position. This set comes with two seats and all chain and hardware. Available in any plastic color with a beige brace. **Sold as a set of two.**
Model: TFR0768XX

Beveled Swing Mat

Our 48" x 48" x 1 ½" swing mat is great for areas where loose fill surfacing is used to help minimize the displacement of surfacing.
Model: WM-05

PRO PLAYGROUNDS
The Play & Recreation Experts

We Meet or Exceed *industry standards*

In our effort to provide safe and quality play products for children, our products meet or exceed the standards set forth by the below organizations. Additionally, we follow our own strict in-house standards and guidelines.

Safety & Accessibility Standards

International Play Equipment Manufacturers Association™

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA™) provides a third-party certification service whereby a designated independent laboratory, TÜV SÜD America Inc., (TÜV), validates an equipment manufacturer's certification of conformance to the standards below.

- ASTM1487-17, excluding sections 7.1.1, 10 and 12.6.1: Standard Consumer Safety Performance Specification for Playground Equipment for Public Use
- CAN/CSA-Z614-14, excluding clauses 9.8, 10, and 11: Children's Playspaces and Equipment

A list of current validated products may be viewed on their website at www.ipema.org. Grounds For Play is a member of this organization.

ASTM International

ASTM International, formerly American Society for Testing and Materials, is an independent and world renowned developer of technical standards utilized in testing a multitude of products. ASTM developed F1487 Standard Consumer Safety Performance Specifications for Playground Equipment for Public Use. The current standard is F1487-11, published in 2011.

U.S. Consumer Product Safety Commission

The U.S. Consumer Product Safety Commission (CPSC) presents safety guidelines through the publication of their Public Playground Safety Handbook. This handbook promotes greater safety awareness among those who purchase, install, and maintain public playground equipment. The handbook can be viewed on the CPSC's website, cpsc.gov.

United States Access Board

The U.S. Access Board is a federal agency that promotes equality for people with disabilities. They've developed guidelines and standards for built environments, such as playgrounds.

In-House Standards

At Grounds For Play, we only use quality playground materials. Our playgrounds are **proudly manufactured in the USA** and are built to last.

To ensure the safest play for your children, we offer:

- Quality control inspection on all parts and shipments
- All products must pass inspection in our IPEMA Certified In-House Testing Facility
- In-house production of most products
- All products meet or exceed CPSC, ASTM, and ADA Safety Guidelines
- On-staff CPSI certified employees
- Local field factory trained installation technicians

Quality Standards

Allied Tube & Conduit®

Some of our products constructed from Allied's heavy-wall galvanized steel tubing, which is protected by Allied's patented Flo-Coat© process that uses triple-coat corrosion protection (zinc, conversion coating, and clear organic topcoat) to provide a smooth, shiny product appearance that is unmatched in terms of strength and durability

GreenCircle Certified

Our lumber supplier, Tangent®, has achieved recycled content verification from GreenCircle Certified. Their certification is in compliance with ISO 14021:2016 definitions and the guidelines in the 2012 Federal Trade Commission (FTC) Green Guides for recycled content. **Our posts and decks also meet criteria for the USGBC LEED requirements**.

Our Leading *warranty*

Our warranty guarantees years of fun, offering a Lifetime* Warranty on core playground components and a 15-Year Limited Warranty on additional playground parts. Read the details below for full coverage information.

Grounds For Play (GFP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once GFP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by GFP, good construction practices, and has been subjected only to normal use and exposure.

- **LW** Lifetime* Warranty on playground steel and recycled posts, all stainless steel hardware, c-line fittings, and aluminum post caps
- **15** 15-Year Limited Warranty on playground pipes, rungs, loops and rails, roto-molded plastics, HDPE plastic sheets, punched steel decks, and recycled decks
- **10** 10-Year Limited Warranty on shade fabric
- **5** 5-Year Limited Warranty on standard powder coat* and playground netting cable
- **1** 1-Year Limited warranty on moving parts, shade cables, and materials not covered above

Limited Warranty: Structural Steel
GFP offers a *Lifetime Limited Warranty on structural steel frames against failure due to rust-through corrosion under normal environmental conditions. Should the parts need to be replaced under the warranty, GFP will manufacture and ship new replacement parts at no charge for the first ten years, thereafter pro-rated at 50% for the second ten years and 25% from there on. Workmanship is warranted for a period of five years. This steel warranty shall be void if damage to the steel is caused by the installer or from physical damage, damage by salt spray or sprinkler systems, contact with chemicals, chlorine, pollution, misuse, vandalism, or any act of God.

***Limited Warranty: Powder Coat**
GFP offers a 5-year Limited Warranty for standard powder coating or a 7-year Limited Warranty for Corrosion Defense Package powder coating to the original purchaser. This Limited Warranty is for factory applied finish only. Damage occurring from shipping, erection, vandalism, accidents, or field modification is not covered in this limited warranty and will require field touch-up immediately and periodically thereafter. The owner must report any defect in powder coat at the time the installation is completed. Not covered by this Limited Warranty are acute angles, welds, and end plates.

The Limited Warranty for powder coating provides the following after a 5-year (standard) or 7-year (Corrosion Defense Package) exposure period when applied according to the recommendations listed on the product's technical data sheet and appropriate surface preparation has been utilized.

- The coatings shall retain their original color with a ΔE of <7.5 units for high chroma colors (yellows, reds, oranges, etc.) and a ΔE of<5.0 units for low chroma colors, when tested in accordance with ASTM D 2244.
- The coating shall retain a minimum of 50% of its original gloss level after washing, when tested in accordance with ASTM D 523.
- The coating shall exhibit chalking no worse than numerical rating of 6, when evaluated in accordance with ASTM D 659-80.

Stainless Steel Series Powered by Playdale Playgrounds
Playdale Playgrounds warrants its products to the original customer to be free from structural failure due to defect in materials or workmanship during normal use and installation in accordance with the published specifications. The warranty shall commence on the date of the invoice and terminate at the end of the period on the full warranty statement. The warranty is valid only if the products are installed properly and in conformance of the specifications, installation guides, Playdale Playgrounds design layout, and properly maintained in accordance with the maintenance schedule provided within the installation instructions. Playdale Playgrounds reserves the right to accept or reject any claim in whole or in part. Playdale Playgrounds will not accept the return of any product without prior approval by Playdale management.

Pricing, Cancellation, Return, and Shipping Policies
All prices are F.O.B. factor and do not include freight, installation, shipping and handling, surfacing, or applicable taxes. All prices listed were current at the time of printing and in U.S. currency. Prices are subject to change without notice. To view our return policy, please visit superiorrecreationalproducts.com/returns. For information on Return Material Authorizations please call 1.800.552.7529. To view our shipping policy, please visit superiorrecreationalproducts.com/shipping-policy. For any further information, please call 1.800.552.7529.

**For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by GFP using approved GFP parts. GFP will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor costs of replacement. Warranty claims must be filed within the applicable warranty period and accompanied by a sales order or invoice number.*
