SHIPPING

PLANNING

We create the most immaculate playground amenities and are dedicated to delivering your needs in a timely manner.

Quick Ship items generally are shipped within 3-5 days of your order. Custom structures and amenities are shipped in 6-8 weeks of order.

The majority of our products ship via freight. Replacement parts and swing components can ship through USPS or UPS.

Our products and equipment are packed in crates and delivered to any address via semi truck.

What to Expect

On the day of your delivery, a semi truck will arrive at your stated drop off zone with all equipment packed into a large crate. 2-3 people will be needed in order to unload the delivery truck safely and securely.

Before your delivery driver departs, inspect all contents for any damages, dents, scrapes, or scratches. You should photograph the crate from all angles and report any damage. Sign the receipt and have the driver sign as well.

Report any damage noted on the delivery receipt to our logistics team. Compare the contents of the crate to the included packing list. Report any damage, discrepancies, or missing items within 72 hours of delivery.

For a complete shipping guide and any further information on our shipping policies and procedures, please visit our website at https://www.playgroundequipment.com/playground-delivery-guide/.

Perhaps the most fundamental aspect of playground planning is having a vision of what it will ultimately look like. While this may seem like a daunting task, our design team is here to help you through every step of the layout and design process.

1. Consider Your Community

It is important to consider the community your playground will serve. Consider the various age groups that will use this space, who will have different needs. Some children may have mobility limitations that should be accounted for. Our ADA-compliant structures and equipment are designed with this in mind.

2. Assess Your Location

Examine your space to ensure that you have selected the safest, most efficient location for your playground. Consider hazards such as retention ponds and busy roads, as well as access to amenities like restrooms and parking lots. Call 811 and map out underground waterlines and utilities before digging.

3. Determine Your Budget

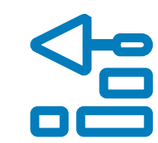

Consider the size, surfacing, and anticipated installation costs of your future playground. The typical cost breakdown consists of: equipment (55%), installation (25%), surfacing (7%), delivery (8%), and timbers (5%). On our website, you can find a grant and stimulus guide as well as a fundraising guide.

4. Design Your Playground

Using satellite imagery of your location, our design team can craft a bird's-eye view of your future playground, as well as a detailed, 3D representation of what your playground will look like from the ground level. These graphics serve to give you a better understanding of how your playground will look after it's installed.

5. Install Your Playground

For those with sufficient manpower, customer installation allows your organization to take the reins and install the equipment. For those with volunteers who could use some direction, supervised installations are overseen by one of our certified playground installers. Lastly, we offer professional installation, allowing your equipment to be installed by our team.

FULLY ACCESSIBLE

PRO PLAYGROUNDS
The Play & Recreation Experts

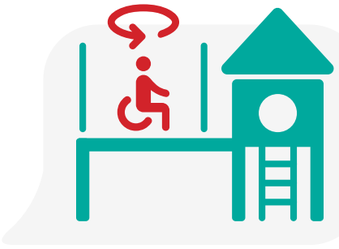

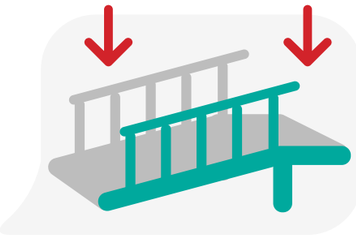

What makes a playground Fully Accessible?

Ramp slope no more than 1:12. 12’ ramp needed to reach 1’ platform

At least 1 maneuvering space on same level as elevated components

Continous handrails on both sides of ramps

50% of elevated components must be accessible

PRO PLAYGROUNDS
The Play & Recreation Experts

Tallgrass Prairie
PFA012
Safety Zone: 84' 5" x 89' 5"
Age Group: 5 - 12 years
Child Capacity: 250 - 350
Fall Height: 96"

Fully Accessible Structures must have safe access points for users of all abilities.

It is vital to maintain the proper ratio of ground level to elevated play components.

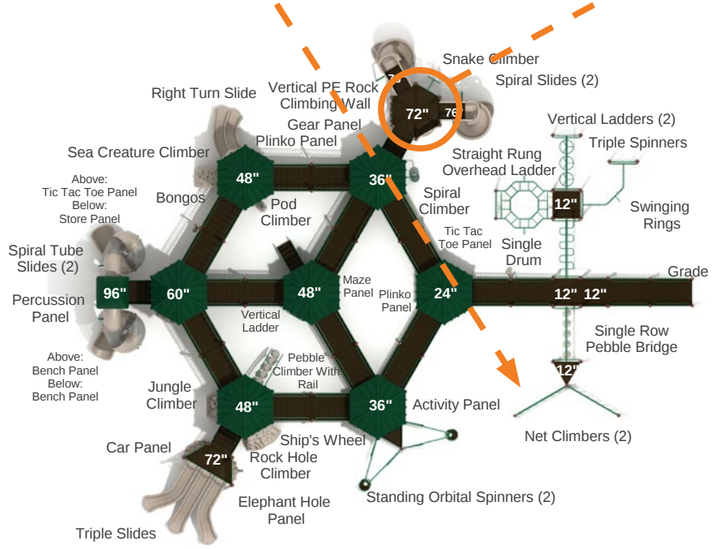

A 60+ inch turning circle permits individuals with mobility devices to maneuver the structure.

Tallgrass Prairie is one of the largest Fully Accessible pre-designed structures. It contains great lengths of accessible elevated pathways connecting the exciting play elements around the expansive play system.

PTH039

Safety Zone: 27' 8" x 44' 2"
Age Group: 2 - 12 years
Child Capacity: 41 - 47
Fall Height: 48"

Lumbering Lemur

PTH033
Safety Zone: 31' 7" x 44' 7"
Age Group: 2 - 12 years
Child Capacity: 32 - 37
Fall Height: 72"

Cantankerous Crocodile

PTH028
Safety Zone: 32' 4" x 44' 7"
Age Group: 2 - 12 years
Child Capacity: 36 - 42
Fall Height: 48"

Kicking Kangaroo

PTH004
Safety Zone: 35' 5" x 35' 8"
Age Group: 2 - 12 years
Child Capacity: 43 - 50
Fall Height: 76"

Brown Bear

PTH045
Safety Zone: 34' 11" x 36' 6"
Age Group: 2 - 12 years
Child Capacity: 48 - 54
Fall Height: 48"

Oscar Orangutan

PTH003
Safety Zone: 25' 11" x 51' 11"
Age Group: 2 - 12 years
Child Capacity: 38 - 44
Fall Height: 72"

Orchid Oasis

PTH014
Safety Zone: 39' 5" x 38' 1"
Age Group: 2 - 12 years
Child Capacity: 36 - 42
Fall Height: 48"

Prancing Panda

PTH035
Safety Zone: 32' x 33' 7"
Age Group: 5 - 12 years
Child Capacity: 39 - 45
Fall Height: 84"

Hippo Harbor

PTH032
Safety Zone: 34' 6" x 38' 4"
Age Group: 5 - 12 years
Child Capacity: 30 - 34
Fall Height: 84"

Gabbling Giraffe

PTH015
Safety Zone: 27' 8" x 37' 11"
Age Group: 2 - 12 years
Child Capacity: 18 - 24
Fall Height: 60"

Bouncing Bobcat

PTH030
Safety Zone: 29' 3" x 36' 3"
Age Group: 2 - 12 years
Child Capacity: 28 - 32
Fall Height: 48"

Cougar Corral

PTH022
Safety Zone: 29' 11" x 32' 3"
Age Group: 2 - 12 years
Child Capacity: 24 - 29
Fall Height: 48"

dger

PTH052
Safety Zone: 26' 1" x 44' 6"
Age Group: 2 - 12 years
Child Capacity: 32 - 38
Fall Height: 60"

Mighty Monkey

PTH046
Safety Zone: 14' 8" x 30' 1"
Age Group: 6 - 23 months
Child Capacity: 20 - 26
Fall Height: 0"

Palm Place

PTH021
Safety Zone: 29' 11" x 32' 2"
Age Group: 2 - 12 years
Child Capacity: 24 - 29
Fall Height: 48"

Wandering Wolf

PTH048
Safety Zone: 28' 9" x 35' 9"
Age Group: 2 - 12 years
Child Capacity: 26 - 32
Fall Height: 36"

Lynx Landing

PTH037
Safety Zone: 24' 10" x 25' 1"
Age Group: 2 - 12 years
Child Capacity: 16 - 20
Fall Height: 48"

Treetop Connection

PFS028
Safety Zone: 22' 10" x 22' 10"
Age Group: 6 months - 5 years
Child Capacity: 8 - 12
Fall Height: 8"

- 4' x 12"
- 4' x 8"
- 6' x 12"

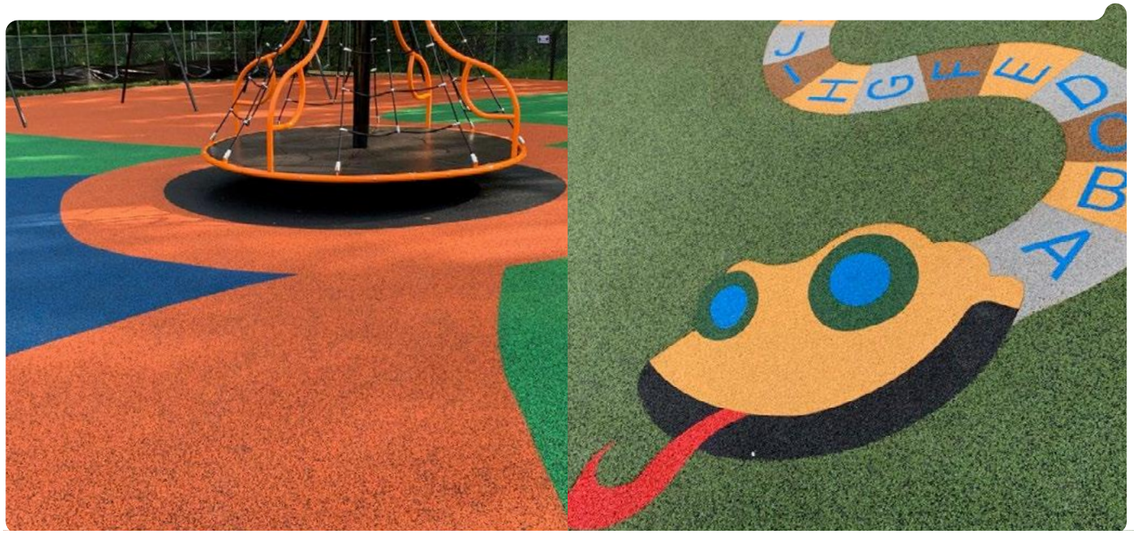

y Poured-In-Place

PIP-NVB

Our Most Durable Surfacing Solution

We're proud to offer a range of industry-standard playground surfacing solutions. Poured-in-place surfacing is designed to improve your playground's visual appeal while helping kids at play avoid injury. By installing poured rubber surfacing onto your playground, you'll be making a valuable investment into the safety of children at play.

SKU: PSA003BK
Material: Powder Coated Steel
Mounting: Portable, Surface or In-ground

Border Timber Bench

SKU: 2BY2BB4

WARRANTY

LOCAL PARTNERS

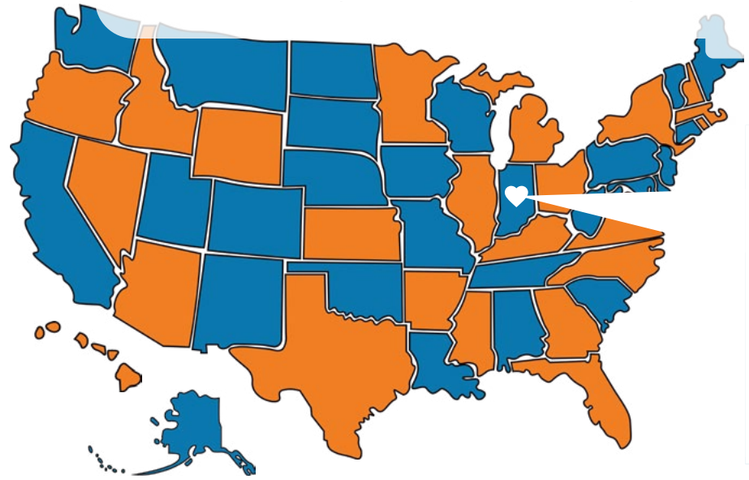

PlaygroundEquipment.com Warranty

This warranty is for PlaygroundEquipment.com (henceforth referred to as “PE”) brand products only. Contact a representative for more information on products not listed under the PE brand. PE warrants its products for as long as customers own and use the product with normal use and installation in accordance with specifications to be defect-free. This warranty does not cover damage from misuse, vandalism, modified parts, or damage (e.g. dents, scratches, fading/weathering, and normal wear and tear). The warranty does not cover costs of freight, labor for removal, or installation of repaired/replaced parts. Replacement parts carry the warranty from the date they are shipped. Repair/replacement orders for warranted products will be for the component part only. Contact your PE distributor for a return authorization.

Warranties are limited to repair or replacement of defective parts. A repaired or replaced part is covered only for the original warranty period. All warranties begin on delivery date of the goods AND only apply to end users who purchase new products directly from PE or an authorized distributor. No other warranties apply.

Thank You Local Partners!

We owe our continued growth to our dedicated local partners all over the country.

Limited Warranties

100 Year
- on aluminum/steel posts against structural failure from deterioration, corrosion, or workmanship
- on hardware against structural failure due to deterioration, corrosion, or workmanship

- on HDPE/rotational plastic components against structural failure due to materials/workmanship

5 Year
- on cables/nets against premature wear due to natural deterioration/defects
- on swing set frames
- on PVC coating against cracking/peeling

3 Year
- on blow molded plastics against structural failure due to materials/workmanship
- on shade metal framework
- on shade fabric

1 Year
- on moving parts against structural failure due to materials/workmanship
- on all adult fitness equipment
- on shade structure moving parts, cables, and materials not listed
- on all materials and products not covered above against failure due to materials or workmanship including swing parts and post-mount events
- thermoplastic and powder-coating on site amenities

Why You’ll Love Them

Community

Our local partners are members of your community. They will understand your needs and be there to support you throughout the planning and buying process. They have a deep understanding of our products and processes and will be a great resource from start to finish and beyond!

Dependability

We are more than a website. Local partners are real people who can make on-site visits or offer virtual help. They can guarantee faster turnaround and service to meet your specific needs. You can depend on them to be there for you!

Trust

We trust our local partners to represent us in their communities and they have delivered outstanding customer service. Thanks to our partners, we’ve done thousands of projects all over the U.S. They are dedicated to building lasting relationships and you can trust them to bring your playground vision to life!

COLOR OPTIONS

Pro Playgrounds
The Play & Recreation Experts

Our Color Options provide limitless opportunities to customize your playground, whether you're matching school colors, creating a unique theme, or designing something entirely new. From posts and plastics to handholds, panels, polyethylene, shades, and ropes, nearly every element can be tailored to achieve your perfect look.
